

The Esh's **Commitment**

Your property deserves the best. We don't think folks in Kentucky and Tennessee should get stuck with generic prefab buildings, so we work hard to help each customer find or create the structure that's perfect for them. Whether it's a small cabin, a portable garage, or simply a storage shed, we believe each project deserves attention to detail and the best craftsmanship around.

Buildings for life.

Why a Montana?

With the Montana, practicality meets Modern Mountain Aesthetic. We all need a place to rest our heads at the end of a long day, so why not do it in style? The Montana Tiny Home shell offers wonderful charm with large A-frame picture windows, allowing the beauty of the sun to greet you each day. Make use of our extended list of customizations to compliment this cabin shell!

The Montana Standard Features

To create a Montana that will handle nature's beatings, it's important to start right. Our Montana Shells feature our Tiny Home Package and come with the following standard features:

- ✓ Built to 2018 IRC Standards including 16" oc. with top & bottom wall plates
- ✓ Inset Entry with Tongue & Groove Pine Boards and Single Full Glass Pre-Hung Door
- ✓ Inset A-Frame Picture Windows at Gable end of shell
- ✓ Boxed-in corner studs to easily finish out the interior
- ✓ Trusses with steel gussets framed at 16" oc.
- ✓ Pressure treated 2x6 floor joists on 4x6 skids
- ✓ 3/4" tongue-and-groove flooring with 50-year warranty
- ✓ Felt paper under roof and drip edge on all edges
- ✓ 10-year workmanship warranty
